Shirley Kantor
Market Square Laundry
Philadelphia, PA

When the parts warranty for Shirley Kantor's old equipment ran out, she felt it would be best to replace her equipment with the new Maytag high-efficiency washers and she is sure glad that she did! In addition to the superior utility savings and five year parts warranty, these new machines have brought in a whole new customer base. Her customers love the performance and the fact that the new Maytag high-efficiency washers outclean the competition.**
